

You're nearly there!

Retake your exam for free (should you need it).

Get AWS Certified and advance your career

[Get promo code](#)

AWS Certification opens doors for career advancement.

Show your professional network that you have validated skills that set you apart from other professionals. Boost your exam day confidence with this extra retake opportunity only with Pearson VUE.

Follow these steps to get your free retake (should you need it).

Log-in or create an [AWS.training](#) account.

Schedule your AWS Certification exam between March 15, 2023 and July 15, 2023. Apply the promo code during check-out. (Please note: the promo code will not discount the first exam price.)

Take your AWS Certification exam.

Should you not pass your first exam, you will be eligible for an automatic free retake of that same exam. Your retake must be scheduled and completed on or before August 31, 2023.

This offer may not be combined with any other promotion or voucher. The offer is limited to one free retake for an exam failed within the promotional time period and may not be used more than once.
